Why is *alive* awesome for you?

Your products are unique. So are we. *alive* is a natural health magazine with a modern twist. We motivate readers to eat healthier (drool-worthy dinners, anyone?). We inspire them to train smarter (because everyone needs a little fitness inspo now and then). And we teach them how to live better (hello, supplement game plan). Oh, and did we mention we increase your sales? Consumers need meaningful, research-backed content to help them make purchasing decisions. *alive* articles drive them to buy supplements, healthy foods, and organic products.

***alive* has never been more vital**

If the last year and a half taught us anything, it's that our health, and education surrounding it, is more important than ever before.

We're in your corner and unwavering in our support for whatever the next year brings us. And we've adapted to be more influential than ever.

***alive* readers are pretty great too**

We engage your current and future customers: the people who took probiotics before it was cool and the growing category of shoppers who are just discovering how amazing CBD is.

Credible content = consumer trust

alive readers have a high level of engagement in *alive's* content, which has a strong impact on the brands they purchase.

WHAT THEY'RE SAYING

We like *alive* because of the overall look; it's more professional and premium than other in-store magazines in the industry.

- Doug Crooks, Manager, Realife Nutrition, TX

alive magazine serves our customers well with wonderful articles and great health content that appropriately educates readers about our industry and on health and well-being. Not many magazines are out there that educate and inspire consumers the way *alive* does.

- Michael Gore, President, Vitamin Discount Center, FL

The consumer wants to be educated, and the more information there is, the better. Our industry is large, but *alive* allows for the intimacy between Westerly's and the consumer to still be there ... *alive* is part of our neighborhood.

- Ricardo Nieves, General Manager, Westerly Natural Market, NY

We have the magazines in two locations in our stores ... people are absolutely loving them.

- Lassens Natural Foods & Vitamins, CA

”
